

## Guidance for all attending worship at Christ Church Moreton Hall

- Please do not attend if you or your household show Covid-19 symptoms:
  - A new continuous cough
  - High temperature
  - Loss or change in sense of taste and smell.
  - Or if you feel unwell with cold-like symptoms.
- The names of those attending services are noted, in case this information is later needed by NHS Test and Trace.
- Face coverings are mandatory in the church building.
- Entry is via the usual west main entrance only.
- Upon entry, please sanitise your hands – sanitisers are provided.
- Please always follow the instructions of the stewards, and don't hesitate to ask if you have any questions.
- Please maintain a suitable distance from others who are not part of your household or group. Some people will still want to be cautious; it is important we respect everyone's needs.
- Congregational singing is now allowed! Please keep your face cover on.
- Children are welcome but must remain with their parents/carers. There is no Sunday school at present, though stewards can provide play-bags/pens and paper as needed.
- If you need to use toilet facilities, please sanitise your hands before entering and wash them well when leaving.
- Refreshments will be available after the service. Please move well away from the serving hatch before you remove your face cover to enjoy your drink (and please keep a respectful distance from others).
- At the end of the service or prayer time please follow the directions and leave by the south door. Sanitise your hands before leaving.

Thank you for your co-operation!
